

State of Connecticut, Judicial Branch ATTORNEY PHOTO ID CARD PROGRAM

The Judicial Branch of the State of Connecticut is implementing a process to enable attorneys in good standing to acquire a Judicial Branch issued photo ID card for purposes of implementing Pr. Bk. sec. 1-10 (b). There is no charge for this card. Your Judicial Branch-issued Attorney ID card will NOT expedite your entry to courthouses, but WILL allow you to possess those electronic devices listed in the Practice Book rule. To obtain a card:

1. Download and sign the “Attorney Agreement” certifying that you will relinquish the ID card if you are ever suspended, disbarred, resign or are no longer be in good standing or eligible to practice law in the State of Connecticut or if otherwise deemed to be warranted by the Chief Court Administrator.
2. Download and complete the “Mailing Address Form” which will be used to mail your finished ID card to your firm/office. Your juris number, name and complete address are required on the form to assure timely issuance of your card.
3. A clear photocopy of your current driver’s license must be provided for identification purposes only.
4. Have your picture taken according to the instructions included with the form, or include a recent passport photo. Digital photos can be emailed to the address below, or a print photograph in color, sized 1 inch x 1.5 inches in height can be included in your package when mailed.

Upon receipt of the above four items, your juris number will be verified, along with a determination of whether you are in good standing as defined by Practice Book § 2-65 (“*An attorney is in good standing in this state if the attorney has been admitted to the bar of this state, has registered with the statewide grievance committee in compliance with Section 2-27 (d), and is not under suspension, on inactive status, disbarred, or resigned from the bar.*”)

You should receive your Judicial ID card in one to three weeks.
